INSTRUCTIONS FOR COLLEGE SCHOLARSHIP APPLICANTS

Application Deadline – February 1, 2023

ELIGIBILITY - To be eligible, applicants must meet the following qualifications:

1. Applicant must identify as a woman and be enrolled as an undergraduate or graduate student in an ABET accredited engineering, computing, or engineering technology program (see <http://www.abet.org/> for a list of eligible schools and majors) in Colorado or Wyoming (excluding zip codes 80800-81599, which apply via the SWE Pikes Peak Section). Entering Freshmen (graduating High School Seniors) should complete the "Entering Freshmen" application.
2. Applicant must have a grade point average of 3.0 or higher.
3. Applicant must be able to accept the scholarship for the academic year starting in the Fall of 2023 and must not already be receiving full funding from another organization(s).

GENERAL

1. Three scholarships (\$1,000 minimum) are available. Awardees will be invited to an awards event.
2. All scholarship recipients will be notified in April. Non-recipients will typically not be notified.
3. No restrictions are placed on applicants with respect to other scholarships, including other SWE scholarships, unless the other scholarships provide full funding.
4. Scholarship recipients must provide their student ID number upon request, for disbursement of funds to the university.

APPLICATION - To be accepted for judging, an applicant must submit all of the following items:

1. **Application Form** - The form must be fully completed and signed.
2. **Supplementary Information/Resume** - Provide as described on the application form, 3 pages maximum.
3. **Applicant Essay** - Essay written by the applicant, not more than one typewritten page in length, and describing one or more of the following:
 - a. How did your interest in engineering, computing, or engineering technology develop?
 - b. What will you accomplish or how will you make a difference as an engineer or technologist?
 - c. What are your most meaningful achievements and how do they relate to engineering, computing, or engineering technology?
4. **Transcript** - Official or unofficial copy of applicant's transcript(s) for the entire enrollment in current and prior college or university. An electronic copy of the transcript is acceptable. Please be sure unofficial transcripts are formatted in a way that is easy to review. If the unofficial transcript is hard to read, applicants may be asked to send an official transcript.
5. **Reference Letter 1** - Letter of reference from the applicant's department head, an engineering professor, faculty advisor, or employer (engineering related).
6. **Reference Letter 2** - Letter of reference from the applicant's department head, an engineering professor, faculty advisor, employer (engineering related), or from another math, science, or technology professor in whose class the applicant is, or has been, enrolled.

Please direct any questions to Kalli Wegren at krwegren@gmail.com.

SUBMISSION INSTRUCTIONS

Forms must be completed and received no later than February 1st, 2023. The transcript and reference letters may be included with the application (preferred) or submitted separately. *The applicant is responsible for seeing that all the necessary information and documents are submitted by the deadline.* An incomplete application package will be disqualified. **Electronic submittals are preferred** and may be emailed to krwegren@gmail.com. If you prefer to mail your application, please email Kalli Wegren for the mailing address.

Reference letters may also be emailed directly from the reference to krwegren@gmail.com. Copies of the official form are acceptable. An electronic version of the form is available at: <http://www.swe-rms.org/scholarships.html>.

APPLICATIONS THAT DO NOT INCLUDE ALL REQUIRED MATERIALS, DO NOT MEET ELIGIBILITY REQUIREMENTS, OR ARE NOT TIMESTAMPED/POSTMARKED BY FEBRUARY 1, 2023 WILL NOT BE CONSIDERED.
